Company Overview

Valia Foods is a large-scale supplier of global seafood supporting foodservice, retail, and wholesale sectors of the North American market.

The VALIA Advantage

- Partnerships with farming, fishing, and production operations around the world to pack and ship seafood specific to your needs directly to your location.
- Focus on providing seamless deliveries, lower costs, and full transparency from the source to you.
- An established customer based in Canada, Mexico and US over 9 years means large buying power.
